Dear Mr. Dye:

Thank you very much for your notice of suspension for the above mentioned mines. The Division staff has noted these operations in their files.

During our next field trip to the Moab area and to the area of these mines, staff members will stop by and meet with you for inspection and recommendations as to temporary measures which could be taken during this shutdown.

The Division will call and contact you to assure that you will be available when we come down. If you have any questions, please do not hesitate to call.

Sincerely,

THOMAS J. SUCHOSKI
